

## Measures of Academic Progress<sup>®</sup> or Performance Series<sup>®</sup> **Optional Student Assessments Form**

**2016-2017**

Name of Academy: \_\_\_\_\_

The Center covers the costs of the computer adaptive assessments for reading and math for grades 2-8, as these assessments are required by the Charter Contract.

### K-1 and/or High School MAP or PS

In addition, the Academy has the **option** of administering Measures of Academic Progress (MAP) or Performance Series (PS) assessments to kindergarten, first grade and/or high school students at the Academy's expense. If the Academy chooses to participate, the Center includes these grades in the Center's contracts with both Northwest Evaluation Association (NWEA) and Scantron. Also, the Academy has the option of administering the new state assessment to Kindergarten, first and second grade students at the state's expense. If the Academy chooses to administer the state assessment to *second grade students*, they are still required by the Charter Contract to take MAP or PS. Given the multiple options, the purpose of this section of the form is to capture:

- The Academy's intentions regarding testing of these grades.
- The number of students the Academy will test for the applicable grades.
- The Academy's agreement to reimburse the Center for Kindergarten, first-grade and/or high school students at the current per-student price (prior contract amounts were \$12.50 for MAP reading, math and language arts; \$10.65 for PS reading, math, language arts and science) within 30 days of receipt of invoice.
- We understand that the state will continue to reimburse schools for the cost of administering a computer-adaptive test in grades K-3, although the process for 2016-2017 has not yet been established.
- The Academy will be invoiced for all MAP assessments requested, regardless of actual students tested (plus overages). PS will be invoiced based on actual students tested.

**The Academy will administer MAP and/or PS to students in grades K, 1 and/or high school:**

- No (Please do not complete enrollment boxes in this section)
- No, Kindergarten (optional) and first grade will take the state assessment or an alternate assessment instead of MAP or PS (Please do not complete enrollment boxes for grades K and 1)
- Yes, MAP
- Yes, PS

**If yes, what grades and how many students will be tested?**

Grade K	Grade 1	Grade 9	Grade 10	Grade 11	Grade 12

### MAP Science

The Academy has the **option** of administering MAP's science assessment to grades 2-12 at the Academy's expense. If the Academy chooses to participate, the Center includes these grades in the Center's contract with NWEA. Therefore, the purpose of this section of the form is to capture:

- The Academy's intentions regarding the use of the MAP Science test.
- The number of students the Academy will test for the applicable grades.
- The Academy's agreement to reimburse the Center for the MAP science assessment at the current per-student price (prior contract amounts was \$2.50) within 30 days of receipt of invoice. Please Note: the Academy will be invoiced for all MAP assessments requested below, regardless of actual students tested (plus overages).

**The Academy will administer MAP Science to students:**

- No (Please do not complete boxes in this section)
- Yes

**If yes, what grades and how many students will be tested with MAP Science?**

Grade 2	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8	Grade 9	Grade 10	Grade 11	Grade 12
